

## **Tastebud's Natural Foods**

### Description:

Good Health® Natural Products

Based in Greensboro, NC, Good Health® Natural Products, Inc. is a leading innovator in the natural and organic markets producing healthy snacks such as Olive and Avocado Oil Potato Chips, Veggie Stix® and the new HUMBLE\$, a baked hummus chip. The snacks are branded and sold under the Good Health® Natural Products name. Good Health® Natural Products(GHNP) also has a line of soaps, lotions and body wash sold under the South of France® brand.

Good Health® Natural Products has developed a reputation for healthy living and creativity that has always resulted in products that are beyond ordinary! The company began with Veggie Stix® pioneering the veggie snack category of consumer foods. Next came the revolutionary Good Health® Natural Products Olive Oil Potato Chips (another first of its kind) providing the consumer a delicious source of mono and polyunsaturated fats. The Olive Oil Potato Chips definitely made a name for itself as it was r
